

Scottish Student Cycling Virtual 10 Mile Time Trial Championships 2020

Monday 23rd November 2020 – Sunday 6th December 2020

PRE-EVENT INFORMATION

Description of Event:

A race against the clock, in the comfort of your own home (or gym). Time trialling is the purest form of cycling competition - now you can compete indoors in the SSC Virtual 10 Mile Time Trial.

The event will run over 2 weeks, in which you will attempt to cover the set distance of 10 miles (16.1km) in the fastest time. We accept most forms of indoor cycling which have power data available, such as Wattbikes and smart trainers. Multiple entries will be accepted and your fastest recorded activity covering 10 miles will be used in the leaderboard (at the discretion of the event organiser).

Please join the Scottish Student Cycling Strava Club, in order for activities to be monitored.
<https://www.strava.com/clubs/scottishstudentcycling>

It is also important that all participants familiarise themselves with the rules and regulations of this event. Please see the attached 'How to Compete' document for this event.

Competition Period:

23/11/20 – 06/12/20

Main Contact:

Aaron Johnson - sss_cycling@hotmail.com
