

Scottish Student Archery Substitution Policy

Substitution Process

Up to three substitute archers may be entered on Azolve at the same time as team submission. These archers must be entered under the “Substitution Archers” heading, after the initial ten team members have been submitted. Substitute archer submission must include name, bow style, experience level, and gender.

The substitution of one team member for a substitute archer must be confirmed five days in advance of the event if they are of different bow styles and/or experience level. If they are the same bow style/ experience level, a substitution can be made up to 2 days in advance of the event.

All notifications of substitution must be given to the Scottish Student Archery (SSA) Chair from the club Captain/President.

Target List

The target list will be created and released by the SSA committee 1 day prior to the event, after all substitutions have been confirmed.

Bosses

Clubs must confirm number of bosses to required at the event to the SSA committee at least 1 week prior to the event.

Target Faces

Clubs are responsible for providing unused target faces on the day of the event. Please check the competition style prior to purchase of faces. To claim money back for the faces, please contact the SSA Chair for a SSS expenses claim form.

Results

The SSA Chair or SSA Vice Chair in attendance of each event will be responsible for collection and release of results.
