FINAL

- Matches are 10 minutes long. Tie-break scoring during the 10 minutes.
- Teams must be ready to play immediately after the previous match ends.
- Three points will be awarded for a win, one for a draw and zero for a loss. In the event that teams are tied on points, the team with the best points difference will progress. If the points difference is the same, the team who have scored the most points will progress. If it is still the same, a 10-point shoot-out will take place.
- A member of each team must report the result after each match (individual matches, not the round) to ensure results are correctly recorded.
