

NOMINATIONS FOR SSS COMMITTEES 2021-22

Any individual seeking nomination to a SSS committee should make this clear via an email to the SSS C.O.O. (stew@scottishstudentsport.com) by **no later than 5pm on Tuesday 1st June 2021**.

Within the e-mail message, the following pieces of information should be made clear:

- Name
- Institution
- Committee position sought
- Nomination support*

****Please make clear which two institutions are supporting the nomination, noting that one of these may be the 'home' institution of the nominee.***

All applicants are also asked to provide a statement indicating their suitability for the role in question. This can be done via a written statement of no more than 200 words **AND/OR** via a video clip of no longer than 60 seconds duration.

In submitting the nomination, all candidates consent to this information being available in a dedicated area on the SSS website in advance of the AGM – and shared within the meeting on the 11th June. All nominations will be acknowledged upon receipt by the C.O.O.

Working Groups:

Students are also invited to put notes of interest in for the following working groups (to be considered and ratified by SSS Management Group):

Audit and Risk Committee
Equality Steering Group
Active Health Group

Executive Council: The Executive Council shall be the most senior decision making committee within SSS and shall have responsibility for strategic direction, resources, budgeting, advocacy and planning.

The Executive Council will ensure appropriate accountability for SSS staff and volunteers, and will provide a platform for formal interaction of SSS' funding partners.

2021-22 Project work in the Executive Council is likely to include:

- Implementation of the SSS 2021+ strategy
- Active delivery and support of SSS' Advocacy Plan
- Oversight of SSS' research and insight activity
- Positively influencing our relationships with key funding partners
- Critical analysis of SSS' strategic progress against 2021+ targets

Competitions Committee: The Competitions Committee shall oversee delivery of all regional and national student sport competitions, including sanctioning of sports and events, coordination of events calendars, appointment of key volunteers, and management of rules, regulations and finances.

The committee will receive reports and updates as appropriate from each recognised SSS sports group.

2021-22 Project work in the Competitions Committee is likely to include:

- Support and steward the comeback of student sport on a national level
- Identify and collaborate with various stakeholders to support National Squad Activity
- Analysing feedback from SSS Sports programmes to allow for continuous improvement
- Assessing the financial viability of existing events and receiving any bids for new sports or events to be added
- Reviewing Rules & Regulations to produce a standardised, published set for all sports

Development Committee: The Development Committee shall oversee delivery of SSS' work in the areas of member engagement, volunteer support, partnerships, information sharing, and sports development.

The committee will also look to create and encourage innovative thinking to steer and scope future development priorities for SSS.

The committee will receive reports and updates as appropriate from regional groups, sports development groups and other project groups relating to development.

2021-22 Project work in the Development Committee is likely to include:

- Supporting and championing the areas of SSS' development work including:
 - Active health
 - Developing people
 - Volunteering
 - Equality & diversity
 - The student experience
- Helping to shape and coordinate SSS' best practice sharing and network events
- Providing oversight and influence re: SSS' partnerships with SGBs
- Supporting and responding to the needs of SSS regional groups
