## Course

The course distance is 18.5km, with 261m of elevation. The route is on country roads, take care on sharp corners and steep descents. There are two partially fast descents as marked in the map below, both will have a marshal at the start warning you.

You are racing on open roads, please respect the highway code and give way to traffic at junctions if required. The marshals are not able to stop the traffic for you. Any rider seen to put themselves or other road users in danger will be disqualified.
