**Categories:**

This year we are introducing, as discussed and agreed upon by all captains, an Open category for all individual rounds to make the championship more inclusive. Archers can choose which category they shoot in and need only to sign up to one category. If they choose to shoot in the Men's or Women's then they are automatically also entered into the open round. If there are fewer than 4 archers in either the Women's or the Men's category for any bowstyle, then only the Open category for that bowstyle will be used for medals.
