Declarations and Withdrawals: Declarations will be found on the UPPER FLOOR for this event we are trialling this approach.

Declarations open at 10am and close 60 minutes before event start time as indicated on the timetable (see separate document). Relay entries close at **3pm (an hour earlier than in previous years)**.

We ask ALL competitors to declare themselves at the desk, please. Withdrawals are to be processed at the Declarations desk and must be made at least 60 mins before the event start time. Withdrawals on the day will not be refunded as per our [Terms and Conditions Policy](#)

On The Day Entries: We are not accepting any entries on the day APART FROM relays which are £16 per team.

We are **trialing BACS payments** on the day (you can pay via BACS using your online banking using the BACS details below) – if you are unable to do this, we will be able to invoice your institution. This should make life easier by removing the need to bring cash:

BACS details:
Scottish Student Sport
Sort Code: 80-11-00
Account Number: 06094688
Bank of Scotland

Due to time constraints we will only accept 1 team per institution, per relay event on the day up to a maximum of 6 teams total (i.e. one Final per event)
Relay teams should consist entirely of students from the same institution

Qualification to Finals/Further Rounds:

We have a few Guest (non-student) entries. They are **not** eligible to proceed to any Track Finals or Further Trials in Field events, as per our [Eligibility Document](#)

Field – All athletes will be given 3 attempts. Top 8 will receive a further 3 attempts

Equipment Regulations: Indoor spikes (maximum spike length 6mm, 9mm for High Jump for Mondo Surfaces). MUST be Pyramid or Christmas Tree types only - spikes should not be worn outside of the Athletics Arena at any time.

Results: These will be posted online during the day rather than as printouts on the walls. We will share the results link on our social media channels when the time comes, so please look out for that.

Athletes must use stadium blocks and stadium throws equipment

Warm Up and Assembly: There is space available on the warm up track. ONLY hurdlers are permitted to warm up on the competition track.

It's the athlete's responsibility to be at the assembly area (competition area for Field events) fully warmed up and ready to compete at the correct time.

You will not be allowed to take any belongings in to Assembly.

Ensure that you are at the required start point (either competition area for Field or assembly area for Track) at least 20 minutes before the event is due to start

Medals and Ceremony: Medal presentations will take place on the day. We ask that all medal winners wait to be called to the podium so we have time to process the results before presenting you with your medal

Withdrawal Policy: If you no longer intend to participate, please contact the event organiser as soon as possible. Please refer to the [SSS Terms and Conditions](#) for information on the SSS Refund Policy.

As this is a medaling event, we will be applying the following policy for on-the-day withdrawals for people who have entered more than one event: *After participating in the early rounds of one event, if that athlete qualifies for a later round but then subsequently withdraws from that event, they will not be able to participate in any other event at the meeting.*

To illustrate this point, if a runner has entered the 60m and 200m, makes it beyond the 60m heats but then withdraws from the 60m, then they are not allowed to compete in the 200m event.

How To Get There: There is car parking available at the venue. Directions to the Commonwealth Arena and Sir Chris Hoy Velodrome can be found [here](#).

Please enter the building via the steps outside to access **Level 2** NOT through the reception.

Facilities at Venue: There is a café within the building along with vending machines and also a retail park nearby with a variety of shops.

Safety: First Aiders will be present on the day

Rules and Regulations: This event is held under UK Athletics Rules and scottishathletics Licence.

Championship rules will be applied to this event, therefore a false start in a race will result in immediate disqualification

Any event clashes should be identified to an Official as soon as possible. Please listen to announcements for any changes in timetabling etc.

Social Media: We love to hear your experiences at our events, so please tag us @ScotStuSport on Facebook, Twitter and Instagram! Please also use the hashtag: #ScotStuAthletics

Photography: There will be a photographer at the event and we will share the photos on our Facebook page – so make sure you like it to get the updates!
